Accountability, representation, feedback and consultation
2019-20 Note
For schools not in the governance pilot or in TATA the accountability remains as before
For TATA schools the Ops Group performs the function of the LGB (which is suspended for the duration that the school is deemed in TATA). This is carried out via 6 weekly meetings chaired by the Governance Director.
2019-20 Pilot Scheme Note
For schools in the governance pilot scheme the LGB will be replaced by a Community Council with a more focused TOR. Honing in on ethos, vision and curriculum on behalf of the community that the school serves.
