	This Scheme of Delegation sets out the delegated powers between Members, Trustees, Board Committees, CEO/CAO, Ops Group and Exec / Principal in the governance and operation of the Multi Academy Trust and academies during the Covid-19 public health emergency. Local governance has been suspended until such time as all academies are fully reopened and all accountability measures are reinstigated.	
	The delegated powers are broken down into different levels in line with the Trust's principles of governance, leadership and operation.	
	A 'tick' indicates where the delegated power for that specific task sits. An 'R' indicates where a recommendation may be made.	
	The delegated autonomy for individual academies is aligned with the need for the Trust to fulfill its corporate responsibilities and accountabilities to the DfE, ESFA, Charities Commission, HMRC and Companies House.	
	The Scheme of Delegation should be read in conjunction with the current Terms of Reference: TEFAT Board, Committees and Groups.	
	Whilst the Scheme of Delegation is designed to be comprehensive it will not cover every task.	
	The Trust Board approves the majority of policy on behalf of all academies in the Trust other than where this is specifically delegated to another body, namely the Operations Group for updates to existing policy. For the duration of Covid-19 public health emergency approval of Covid-19 specific policies sits with the Operations Group with policies made available to trustees for review.	
	By exception there may be policies that academies determine locally. These will always be identified as 'locally owned'. However no such locally owned policy can contradict an overarching Trust wide and applicable policy. Over time those policies which are best determined locally will be indicated as being so on the Elliot Foundation website.
