This Admissions Policy relates to admission to the Academy in the academic year 2022/23

General

The Academy will comply with the Department for Education's School Admissions Code ("the Admissions Code") the School Admission Appeals Code ("the Appeals Code") and the law relating to admissions as set in the [School Standards and Framework Act 1998](#).

The Academy, through The Elliot Foundation Academies Trust (TEFAT) who are the admission authority will consult the relevant bodies where amendments to the policy are required or within the specified timescale as per the Admissions Code.

The Academy will participate in the co-ordinated admissions arrangements for reception entry which will be administered London Borough of Hammersmith and Fulham ("the LA") [LBHF Starting school](#)

Admission Numbers

1. Published Admission Number (PAN) – Nursery Provision

The Academy has an agreed PAN of 25 full time equivalent places.

2. Published Admission Number (PAN) – Reception Entry

The Academy has an agreed PAN of 30 (1 Form Entry). The Academy will accordingly admit 30 children (aged rising 5) if sufficient applications are received.

Application Process

3. Nursery Admission

- a) Applications for a place in the nursery will be made directly the Academy and the timetable will be published yearly. Applicants will be considered under the published admissions criteria *clause 5*, see *nursery admission on the Academy website for further details*.
- b) The Academy does not give priority for reception places within the admissions criteria to children who attend the nursery. To do so would give an unfair advantage to children whose parents are able to take advantage of a nursery place at the Academy in comparison to those who have to attend other providers.
- a) Parents/Carers will need to apply for a reception place via the process mentioned in clause 4 if they would like their child to be considered for a place. All applicants will be considered as per the admissions criteria *clause 5*.

4. Reception Admission

- a) Applications for a reception place must be made via [eAdmissions](#), which will be administered by the home local. For further information on this process please visit your home the LA website.
- b) The Academy will consider all applications for a reception place under the published admissions criteria *clause 5*.

5. Admission Criteria

When the Academy is oversubscribed, after the admission of Students with an Education, Health and Care Plan (EHCP)¹ where the academy is named, priority for admission will be given to those children who meet the criteria set out below:

- a) A 'looked after child'. A looked after child is a child who is a) looked after by a local authority or b) being provided with accommodation by a local authority in the exercise of their social services functions, in accordance with section 22 (1) of the Children Act 1989. *Details of eligibility must be supplied by the allocated social worker or foster carer.*

Or

A student who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England and ceased to be in care as a result of being adopted. *Proof of eligibility will be required.*

- b) Students for whom it is essential to be admitted to the Academy because of special circumstances do with significant medical or social needs, which relate to the child or an immediate member of the child's family. Applications must be supported by medical evidence from a GP or hospital consultant, social worker, or similar professional.
- i) *The supporting evidence should set out the particular reasons why the Academy is the most suitable and the difficulties that would be caused if the child had to attend another school. This evidence must be sent to the Academy by the application closing date, for the child to be considered under this criterion.*
- c) Students who, on the date of application have a sibling (e.g. a natural brother or sister, or a half brother or sister, or a legally adopted brother or sister or half-brother or sister, or step brother or sister) who is living with them at the same address and on roll of the Academy.
- d) Students living nearest to the school. *Distance will be calculated using a straight line (as the crow flies) measurement from the child's home 'address point' determined by Ordnance Survey Data to a point in the school grounds as determined by the LA using a computerised measuring system.*

6. Additional Information

- a) Accessibility by car or public transport, a childminder's or business address cannot be taken into consideration.
- b) **Students living at more than one address:** Where a child lives with parents/ carers with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents/ carers stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for admission to school. If the residence is not split equally between both parents/ carers, then the address used will be the address where the child spends most of the school week.

¹ An Education, Health and Care plan (EHCP) is a plan made by the local authority under Section 37 of the Children and Families Act 2014 specifying the special education provision required for that child. This policy is not relevant to the process for naming the school on a child's EHCP. There is a separate process for selecting or changing the school named on an EHCP which is outside of the admissions process. Contact your home local authority for further details.

Documentation to confirm the arrangement such as a residence order or other court order may be required. If this is not available or the admissions team is not satisfied with this documentation, Hammersmith & Fulham Council will consider the address of the parent/ carer who is in receipt of Child Benefit or if Child Benefit is not being received, the address at which the child is registered with a doctor (GP).

- c) When a place is offered proof of eligibility will be required. The Academy will follow the process used by the LA to establish eligibility. If false or misleading information is used to gain entry to the academy the offer of a place will be withdrawn, and the parent/carer will be given the right of appeal.

7. Tie Break

Sibling

If there are more siblings than there are places available, the places will be offered to the siblings who nearest to the Academy clause 5d.

Distance

In the event of a tie break under 5d random allocation will be used, which will be undertaken by a person independent of TEFAT.

8. Infant Class Size Legislation

The Academy is required to comply with 'Infant Class Size' requirement which means that it can teach no more than 30 infants per schoolteacher. Our admission number therefore reflects this position. However, if one child of a multiple birth can be accommodated within the published admission number, the Academy will accommodate the other child/children as an exception to the Infant Class Size requirement as per the School Admissions code.

9. Children of Service Personnel (UK Armed Force)

The Academy will consider applications for a place from families of UK Service Personnel (UK Armed Forces) or a Crown Servant returning from overseas as a result of a posting; under the published admissions criteria *clause 5*. The distance measurement used to consider the application will be calculated to the posting address or unit postal address, providing proof of posting is supplied (e.g. a letter that declares the relocation date and unit postal or quartering area address) with the application. Places can be allocated in advance of the family arriving in the area.

Waiting Lists

10. Nursery

The Academy will operate a waiting list if it receives more applications than there are places available, the list will be open for the whole academic year. Applications will be made directly to the Academy and will be considered under the published admissions criteria *clause 5*, see *nursery admission on the Academy website for further details*.

11. Reception

- a) The Academy will operate a waiting list where it receives more applications than there are places available. A waiting list will operate from the day after national offer day until the 31 December of the new academic year. Applicants who have not been offered a place by the Academy or a *higher preference from their eAdmissions application will be allocated a place on the waiting list. **Higher preference – an applicant has been offered a place at a school that the parent/carer placed higher on the application form than their preference of the academy.*

- b) Parents/Carers of applicants who placed the Academy as a lower preference on their application form and received a higher preference or wish to make a new application should contact the Academy.
- c) Parents/Carers who would like their child's name to remain on the reception waiting list after the 31 December will need to reapply under the In-year waiting list process set out in clause 12.

12. In Year

- a) The Academy will operate a waiting list for applications submitted for students in Reception – Y6. Applications will be made directly to the Academy by completing an in-year application form available from the Academy. The Academy will consider all such applications and if the year group applied for has a place available, admit the child, unless one of the permitted reliefs applies².
- b) If more applications are received than there are places available, the admissions criteria *clause 5* will be applied. Parents/Carers will be advised of the outcome of their application with 10 school days. The waiting list will operate for the full academic year.

13. The date of application will not be taken into consideration for all waiting lists, as the applicant's position will be determined solely in accordance with the oversubscription criteria set out in *clause 5*. If at the end of the academic year a parent/carer would like their children to be considered for entry to the subsequent year group, they will be required to apply afresh.

14. Appeals

Where an application to the Academy is declined, parents/carers have the right to appeal to an independent appeal panel except when applying to the nursery. The Academy will provide guidance for parents/carers on how the appeal process works and a named contact who will be able to answer any questions or queries. A timetable for appeals will be published by the date specified in the Appeals Code.

15. Reception Starting Dates

Children will qualify for admission to the reception class in the September following their fourth birthday. Where an offer has been made:

- i. the child's parent/carer can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age³ and not beyond the beginning of the final term of the school year for which the offer was made; and
- ii. where the parent/carer wishes, a child may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

² Section 87 of the SSFA 1998

³ Compulsory school age is set out in section 8 of the Education Act 1996 and the Education (Start of Compulsory School Age) Order 1998. A child reaches compulsory school age on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

16. Admission of students outside Their Normal Age Group Including Summer Born students

- a) The Academy will consider an application for a place outside of the child's normal age group, which includes summer born children (1 April – 31 August), their decision will be based on the circumstances of each case and in the best interests of the child concerned. Parents/Carers will need to write to the Academy giving a reason and providing documentation to support this request.
- b) The Academy will take into account the parent/carer's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
- c) The Academy will consider the information provided and inform the parent/carer in writing of their decision. If the Academy agrees to this request the child will be considered with the other applicants under the published admissions criteria for the admission year/year group that they are applying for.
- d) Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if the child is offered a place at the school but is not in the parent/carers preferred age group.

17. Fair Access

The Academy will participate in the LA's Fair Access Protocol which will be used to place vulnerable and /or hard to place students, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Students admitted under this protocol will be prioritised over those students on the in-year waiting list.
