## **THE ELLIOT FOUNDATION (LIMITED BY GUARANTEE)**

### **Trustees' Report Year Ended 31 August 2021**

The Trustees confirm that the annual report and financial statements of the charitable company comply with current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

### **Structure, Governance and Management**

The Elliot Foundation (TEF) is a charitable company limited by guarantee, incorporated on 11 November 2011 and registered as a charity on 12 December 2012.

The governance arrangements for The Elliot Foundation are set out in its Memorandum and Articles of Association. This describes the objects of The Elliot Foundation as being specifically restricted to 'such charitable purposes as the directors in their absolute discretion think fit including, but not limited to, the advancement of education for the public benefit in the United Kingdom, in particular, but without prejudice to the generality of the foregoing by sponsoring, co-sponsoring, supporting, establishing, maintaining, carrying on, managing and developing schools'.

The Directors of the charity are charity trustees as defined by section 97 of the Charities Act 1993.

### **Trustees/Directors**

At 31 August 2021 there were four Trustees, each of whom is a Director of The Elliot Foundation. The number of Trustees/Directors must be not less than three and not more than twelve. Dr C Whalley, the Chairperson and founder of The Elliot Foundation, may appoint up to seven Trustees/Directors of the charity at any time and to remove her nominated Trustees/Directors from office. The term of office is two years, however this time limit does not apply to Dr C Whalley, and any Director may be re-appointed or re-elected. Full details on the appointment of Trustees/Directors can be found in Article 22 of the Articles of Association of the company.

Trustees/Directors meet three times a year. In appointing new Trustees/Directors the board reviews existing skill sets, identifies gaps and recruits accordingly. New Trustees/Directors are provided with a comprehensive induction pack, (comprising plans, policy documents and other relevant documents) before being invited to the Charity's office in London to meet the team and have a one-to-one meeting with the Chairperson and separately a meeting with the CEO of The Elliot Foundation Academies Trust.

### **The Creation of The Elliot Foundation and The Elliot Foundation Academies Trust**

Caroline Whalley with the help of colleagues nurtured the idea of a Multi Academy Trust for Primary Schools during the summer of 2011. The Elliot Foundation (TEF) was incorporated on Armistice Day 2011 as the vehicle for turning the idea into reality. The Elliot Foundation was the start-up body for developing the Multi Academy Trust. Most of those working for TEF provided their services pro-bono. Any expenses that needed to be made were paid for by Caroline Whalley up to April 2012.

In April 2012 the academy order was signed by the Secretary of State for The Elliot Foundation to become the sponsors for a primary phase academy created by the conversion to an Elliot academy of the Croft Community Primary School in Walsall. The Croft Academy opened on 1 September 2012.

The Elliot Foundation was created as a company limited by guarantee and registered charity. It is not a body that can assume responsibility for delivering primary education. A separate organisation, The Elliot Foundation Academies Trust (TEFAT) was established with the specific objects and constitution that enabled it to fulfil this purpose. TEF is a member of TEFAT and its relationship with TEFAT is governed by a member's agreement.

### **Risk Management**

The Trustees are aware of the risk factors involved with the running of a registered charity. The Risk Assessment Statement and Schedule are reviewed annually by the Board of Trustees.

The Trustees have reviewed the major risks to which the charity is exposed and are satisfied that appropriate mitigating actions are in place to reduce or control each risk. Major risks are reviewed annually.

### **Trustees' Report Year Ended 31 August 2021**

#### **Objectives and Activities**

With the creation of The Elliot Foundation Academies Trust (TEFAT), The Elliot Foundation assumed a new role. TEF is registered as a charity. TEF has the overall role of setting the philosophy, ethos and values of the foundation which guide the way the Board and staff of TEFAT manage academies. TEF is the vehicle for fundraising. TEF provides a way to undertake activities relevant to the TEF mission that might conflict with the requirements of the TEFAT funding agreement. The main activities of The Elliot Foundation are raising charitable donations to support the finances of The Elliot Foundation Academies Trust in its early phase to the point where it is of a size to be financially self-sufficient. TEF has provided independent oversight of the activities of The Elliot Foundation Academies Trust through a member's agreement signed on 24 April 2015.

The achievements of The Elliot Foundation and those of The Elliot Foundation Academies Trust include:

- The Elliot Foundation Academies Trust achieved a small surplus in the year to 31 August 2021, when it had 29 open academies. The removal of the Education Services Grant, the apprenticeships levy and unfunded increases in employment costs amongst other factors continue to place further pressure on academies trying to achieve a balanced financial position.
- Further details are included in the annual report and financial statements of The Elliot Foundation Academies Trust for the period ending 31 August 2021 (company registration No. 8116706).

#### **Public Benefit**

The Trustees have considered the Charity Commission's requirement in respect of Public Benefit. In their view the Charity meets, in full, the criteria to satisfy the test. In particular, in planning future activities of the organisation, the Trustees consider how planned activities will contribute to the aims and objectives they have set. This report describes the activities undertaken to further its charitable purposes for the public benefit now and for the future.

#### **Financial Review and Results for the Year**

The statement of financial activities shows a net deficit for the year of £371 (2020: £449 surplus) and reserves stand at £20,634 (2020: £21,006) in total. This is adequate to finance the Charity's activities for the foreseeable future and the trustees consider the financial position of the Society to be satisfactory.

#### **Reserves Policy and Going Concern**

The policy of The Elliot Foundation towards its funds is that they should all be made available for the advancement of public education. TEF does not incur overheads and as such the board considers that TEF does not need to hold substantial reserves. The restricted reserves held at year end relate to a previous grant to develop The Elliot Foundation Learning Alliance (TEFLA). This will be spent in future periods. The unrestricted deficit is small and will be covered by future income. The reserves policy of The Elliot Foundation Academies Trust is included in the annual report and financial statements of The Elliot Foundation Academies Trust for the period ending 31 August 2021 (company registration No. 8116706).

The Trustees have a reasonable expectation that the charity will continue in operational existence for the foreseeable future (being over 12 months from the date of signing this report) and have therefore used the going concern basis in preparing these financial statements.

#### **Review of Achievements and Performance for the Year**

The trustees consider that the performance of the Charity this year has been satisfactory. Activity has been limited due to the decision by TEFAT to delay the launch of TEFLA as a stand alone organisation. This was due to a review of the CPD market in schools. New projects to be funded by TEF have been sought and this year saw activity to support a partnership between Rackets Cubed and TEFAT to provide community boxes to vulnerable families. These contain a mixture of essential food supplies, personal hygiene items and educational activities/resources. This service has proven invaluable to families, especially during the pandemic.

#### **Related Parties and co-operation with other organisations**

TEF is a member of TEFAT, and as such both organisations work closely together. All Trustees complete annual declarations of interests, and any new interests are declared at the start of every board meeting. Trustee indemnities are set out in Note 11.

**Risk management**

The Trustees have reviewed the major risks to which the charity is exposed and are satisfied that appropriate mitigating actions are in place to reduce or control each risk. Major risks are reviewed annually.

**Statement of Trustees' Responsibilities**

The law applicable to charities in England and Wales requires the directors/trustees to prepare a Trustee's annual report and financial statements for each financial year, which give a true and fair view of the state of the charitable company's affairs and of its income, and expenditure for the financial year. In preparing these accounts the directors/ trustees are required to:

- select suitable UK accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The directors/trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The maintenance and integrity of the charity's website is the responsibility of the trustees. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislations in other jurisdictions.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland, Companies Act 2006 and the Charities Act 2011.

In preparing this report, the directors have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.
